

AGENDA ETF WEBINAR:

SHOULD WE CHANGE OUR APPROACH TO SUMMATIVE ASSESSMENT?

20 NOVEMBER 2020 10:30-12:00 CET

WEBINAR OBJECTIVES:

Participants in this webinar event will learn about what happened with summative assessment in 2020 and deepen their knowledge and understanding of two trends in summative assessment: authentic assessment and standardised assessment. The conceptual foundations of both authentic and standardised assessment will be illustrated by examples from Finland and Kazakhstan. Participants will be invited to share their ideas on the way forward with summative assessment.

The webinar, which will be held on Zoom and YouTube, and will include opportunities for interaction and discussion through tools such as chat and Mentimeter. Participants will also be encouraged to discuss relevant issues and questions in the ETF Open Space.

Participants: Up to 300 practitioners and policy makers
